Nepotism Statement

A) Production Staff Positions

Dexter Community Players will always hire production staff and orchestra members based on their experience, skills, and merit. If a board member's family member is interested in a position with Dexter Community Players, they should apply through standard channels and there will be no preferential treatment based on their relation. Open positions are posted on and solicited through the website.

B) Casting

Dexter Community Players will always cast performers based on their experience, skills, and merit. If a production staff's family member auditions for a part in a Dexter Community Players production, they should audition through standard channels and there will be no preferential treatment based on their relation. If the production staff member is one of the casting deciders (Director, Choreographer, etc.) they should recuse themselves from the casting decision for their family members.

C) Contract Positions

Dexter Community Players will always hire contract positions based on their experience, skills, and merit. If a board member's family member is interested in a position with Dexter Community Players, they should apply through standard channels and there will be no preferential treatment based on their relation. Open positions are posted on and solicited through the website.
